

Cappuccino : , Harvia , Thermo

, : Cappuccino Thermo, Harvia –

Door hung right. Door hung left available as per separate order. The optilights with halogen lights are included

The panel-element sauna of ThermoWood

The walls of this superior sauna are made of 14,5 mm brown ThermoWood panelling and the interior parts are made of light-coloured aspen wood. What a fascinating combination!

Complete [sauna](#) timber delivery, including strong benches, bench skirt and back support with Royal design, head rests, stove guard rail and duckboard (pine).
